OLD BUSINESS:

Mrs. Busch questioned the landfill.

Borough Administrator Childers responded the Borough Engineer will "stake out" the acre of land that is buildable.

Mrs. Busch asked if a solar farm would be feasible.

Mr. Oglesby stated that the landfill is wetland protected adding the foundation of the solar farm could be an issue. Mr. Oglesby also stated an acre of land does not generate much from solar farms but could generate enough for the Emergency Management Complex and the Public Works buildings.
